- FAA numbers must be visible on all models flown at the field.
- There was a discussion about having members display their renewal card on your hat or shirt as verification of paid membership for the year. This also helps everyone know everyone's name.
- It is the responsibility of all members to follow all safety rules; this keeps us safe and protects our field from being shut down. If you are reminded during your activities while prepping or flying your model, please make adjustments and remember it's nothing personal.
