Upcoming Events

- Cubs and Cousins October 14th & 15th
- Fun Fly will be in the fall. Date to be announced.

Items discussed at the April meeting:

- As of the date of the meeting TCRCC has 92 members.
- TCRCC will be holding a live auction this fall (the proceeds will go to the club). The auction will be conducted Saturday at the Cubs & Cousins event.
- The research and selection process for the lawnmower purchase has been completed. The team has decided to buy a commercial John Deere 60 inch mower. The approximate cost for the mower is \$10,000 and the membership present voted to allow an extra thousand dollars for additional products if needed. The club will receive a 22% discount and we will be able to purchase the mower tax-free.
- During the October club meeting we will need to nominate candidates for the 2023 board. The election will be held in the November club meeting. At this time Steve Rhodes has volunteered to step into the Treasurer's position. We are looking for candidates for the other positions.
- A proposal was made to raise the dues beginning January 2023. The recommendation was to raise the annual dues by \$30 for seniors and regular members. This would make seniors dues \$100 per year and regular members \$130 per year. This will be voted on at the October club meeting.
- The cross runway will be shortened about 125 feet from the Southeast end. This area of the runway is very rough on anyone trying to land in that area and also our equipment.
- Todd will be bringing in some sand to fill in the uneven areas at the north end of the main runway.
- Robert Petrash is doing well after his surgery and should be able to attend our next meetings.
- Vince will be calling the AMA regarding reimbursements for some of our expenditures.

Meeting adjourned at 9:42.
